

EDGEWOOD CHEMICAL BIOLOGICAL CENTER

DIRECTIONS TO

BUILDING E3150 McNAMARA BUILDING

- Take I-95 North through the Ft. McHenry Tunnel (Toll Road).
- Exit I-95 North at Exit 77A, MD Route 24 South.
- Proceed approximately 4 miles to the Edgewood Area gate.
- There will be a Visitor's Building to the right with available parking.
 - You will need to present a photo ID and car registration in the Visitor's Building to obtain a visitor's pass.
- Proceed through the ID checkpoint and present your visitor's pass to the guards
- At the first traffic light, turn left onto Magnolia Road.
- Continue on Magnolia Road.
(Runs parallel to the airfield on the right and turns into Ricketts Point Road.)
- Turn left onto North Kings Creek
North Kings Creek will dead end into building E3150
- There is a parking lot on both the left and the right, as well as in the back of the building.
- Enter building E3150 through the glass doors

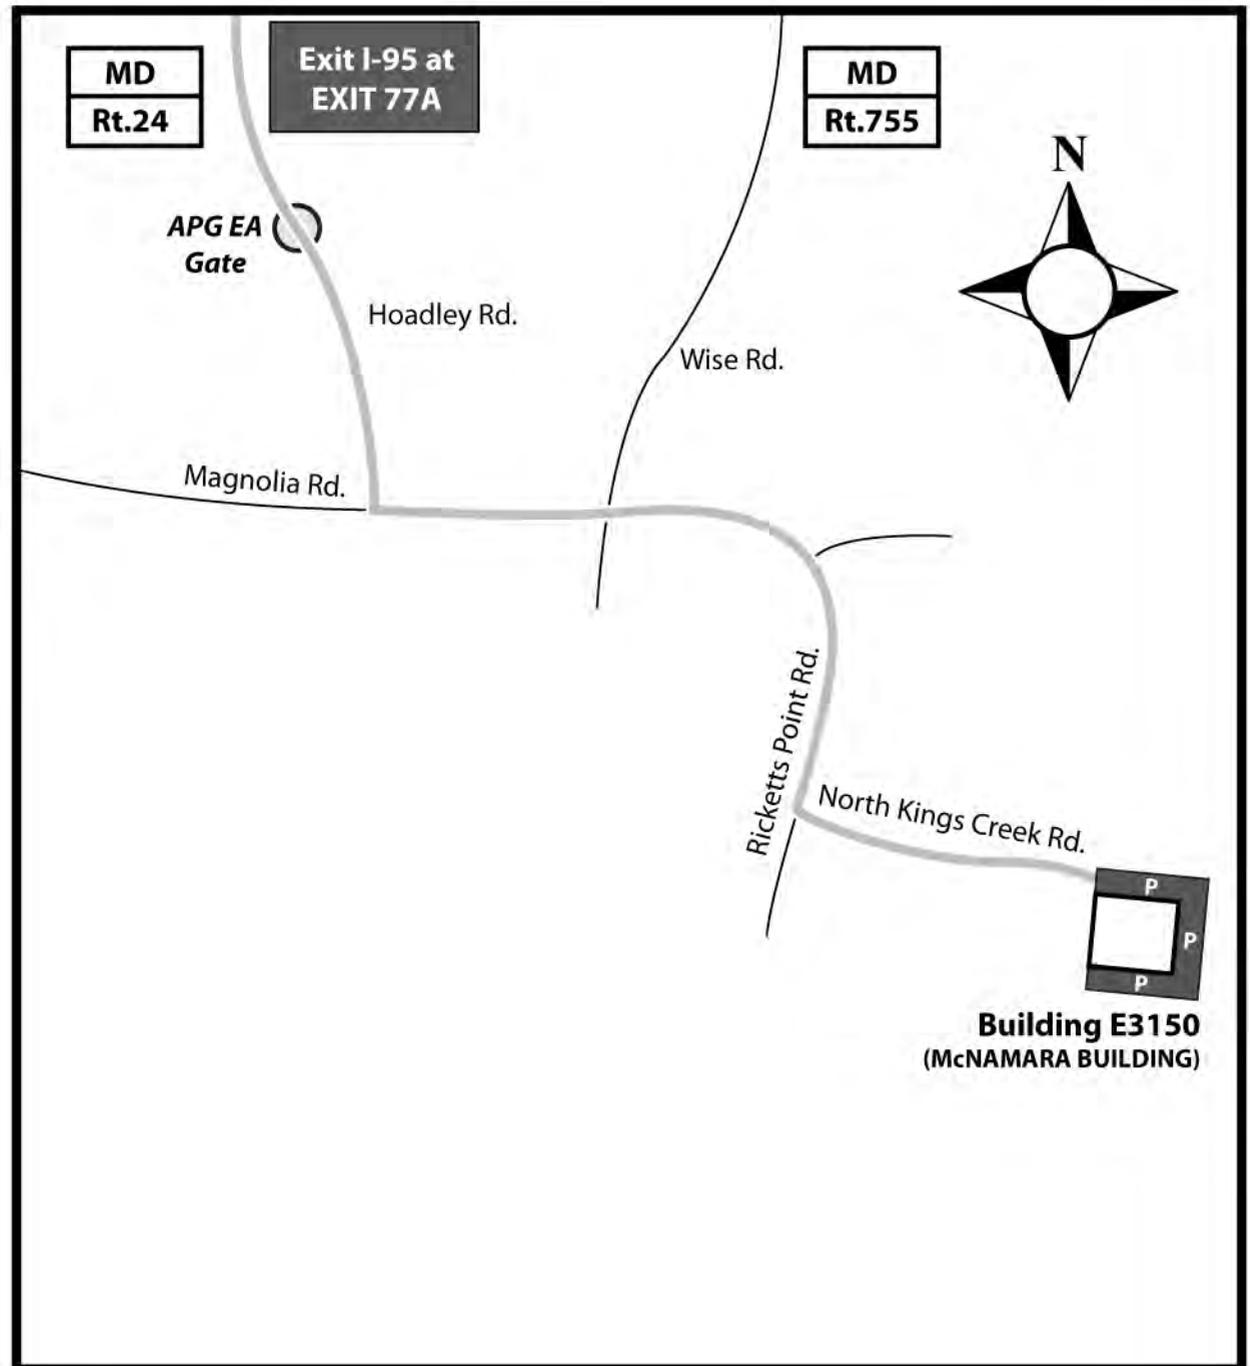

EDGEWOOD CHEMICAL BIOLOGICAL CENTER

DIRECTIONS TO

BUILDING E3330/3331

- Take I-95 North through the Ft. McHenry Tunnel (Toll Road).
- Exit I-95 North at Exit 77A, MD Route 24 South.
- Proceed approximately 4 miles to the Edgewood Area gate.
- There will be a Visitor's Building to the right with available parking.
 - You will need to present a photo ID and car registration in the Visitor's Building to obtain a visitor's pass.
- Proceed through the ID checkpoint and present your visitor's pass to the guards
- At the first traffic light, turn left onto Magnolia Road.
- Continue on Magnolia Road. (Runs parallel to the airfield on the right and turns into Ricketts Point Road.)
- Turn right into the parking lot entrance and park.
- Both buildings E3330/3331 will be across the street

- Continue on Magnolia Road.
(Runs parallel to the airfield on the right and turns into Ricketts Point Road.)
- Turn right into the parking lot entrance and park.
- Enter E3400 through the glass doors

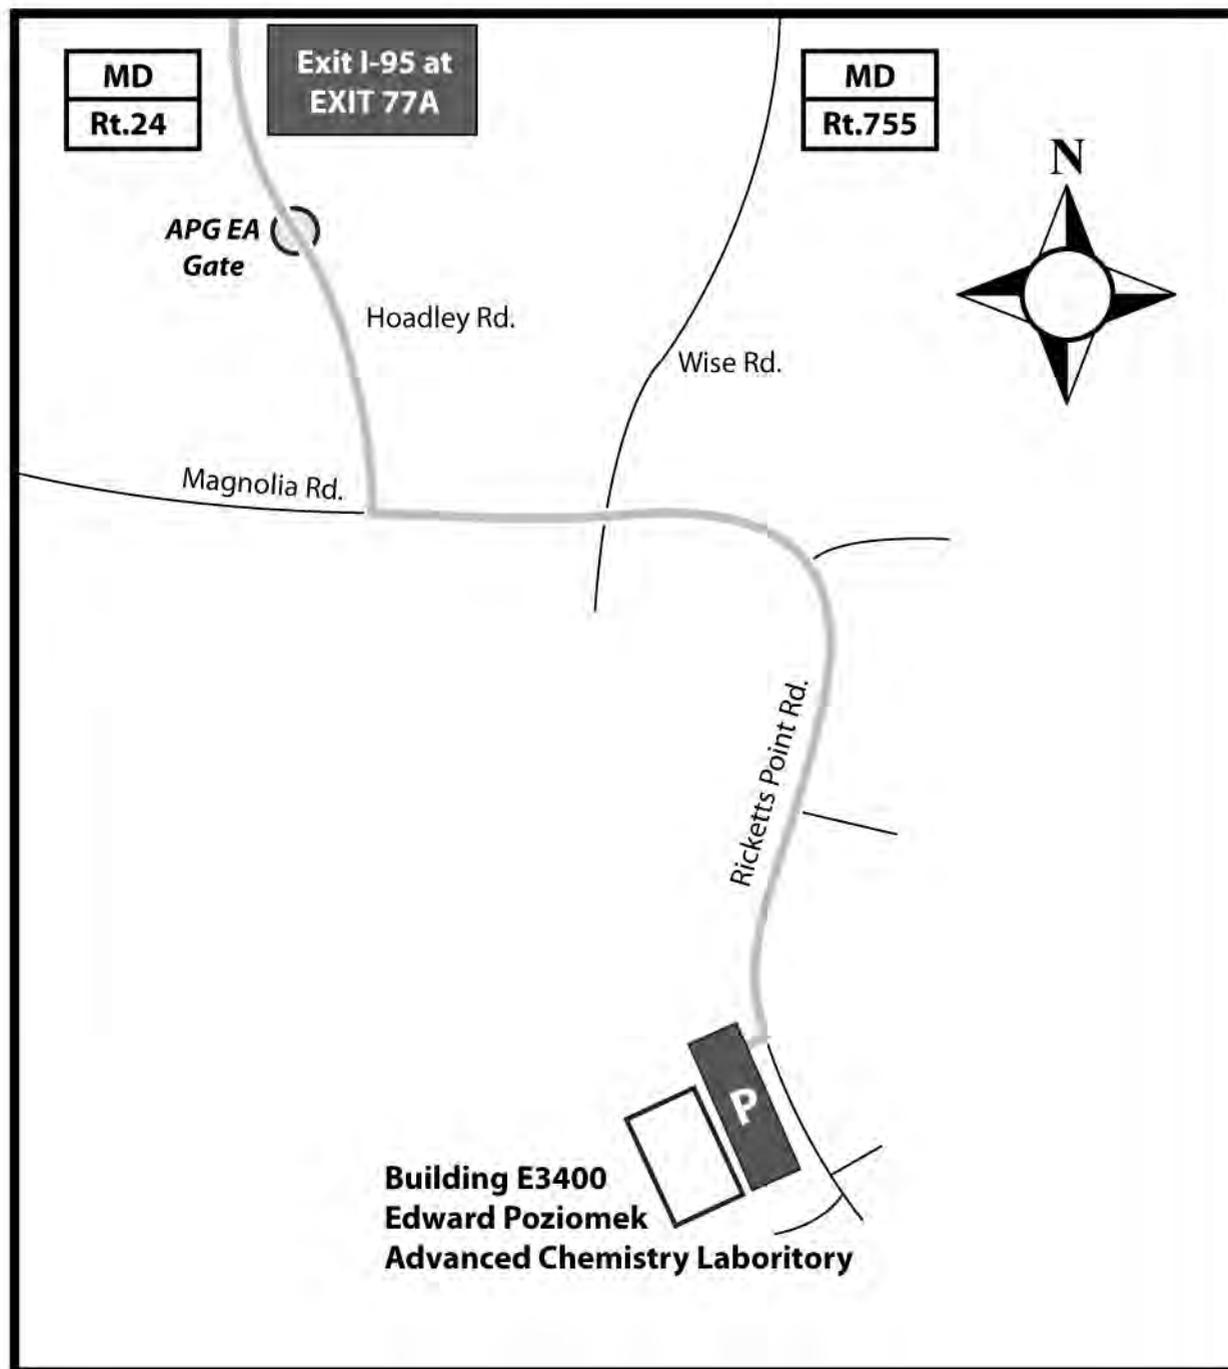

EDGEWOOD CHEMICAL BIOLOGICAL CENTER

DIRECTIONS TO

BUILDING E3549 BERGER BUILDING

- Take I-95 North through the Ft. McHenry Tunnel (Toll Road).
- Exit I-95 North at Exit 77A, MD Route 24 South.
- Proceed approximately 4 miles to the Edgewood Area gate.
- There will be a Visitor's Building to the right with available parking.
 - You will need to present a photo ID and car registration in the Visitor's Building to obtain a visitor's pass.
- Proceed through the ID checkpoint and present your visitor's pass to the guards
- At the first traffic light, turn left onto Magnolia Road.
- Continue on Magnolia Road.
(Runs parallel to the airfield on the right and turns into Ricketts Point Road.)
- Turn left into the parking lot entrance and park.
- Enter building E3549 through building A's executive entrance.

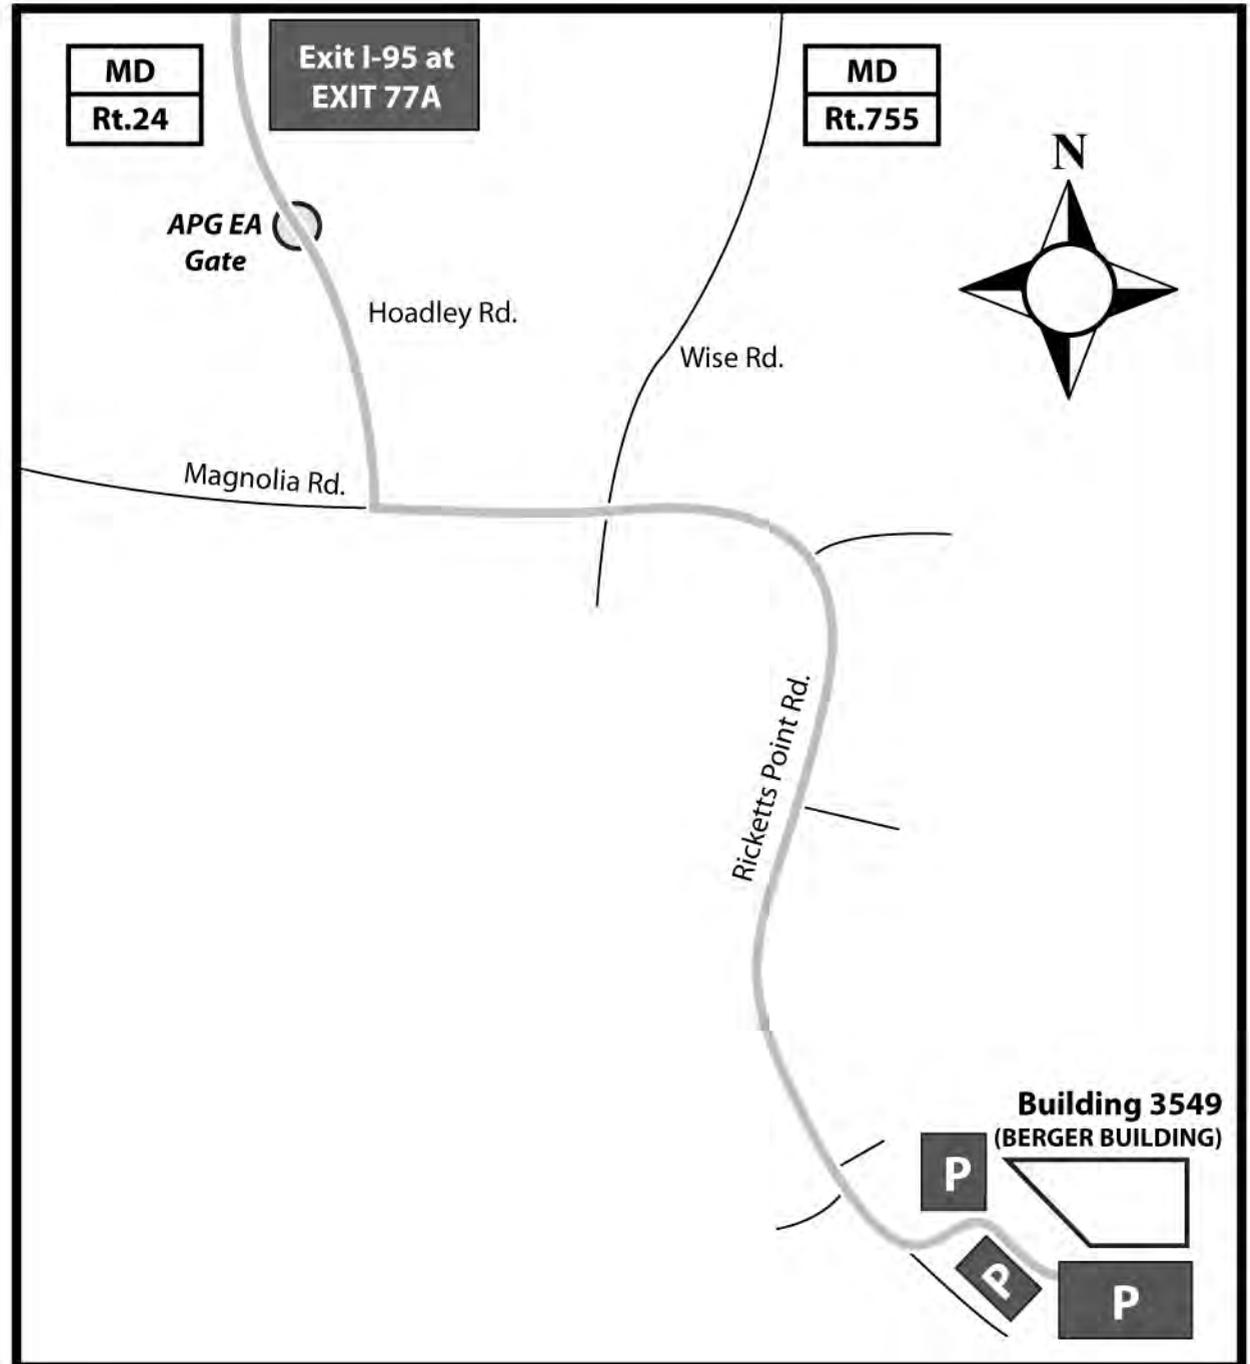

EDGEWOOD CHEMICAL BIOLOGICAL CENTER

DIRECTIONS TO

BUILDING E3549 BERGER BUILDING

- Take I-95 North through the Ft. McHenry Tunnel (Toll Road).
- Exit I-95 North at Exit 77A, MD Route 24 South.
- Proceed approximately 4 miles to the Edgewood Area gate.
- There will be a Visitor's Building to the right with available parking.
 - You will need to present a photo ID and car registration in the Visitor's Building to obtain a visitor's pass.
- Proceed through the ID checkpoint and present your visitor's pass to the guards

- Continue on Magnolia Road.
(Runs parallel to the airfield on the right and turns into Ricketts Point Road.)
- Turn left into the parking lot entrance and park.
- Enter building E3549 through building A's executive entrance.

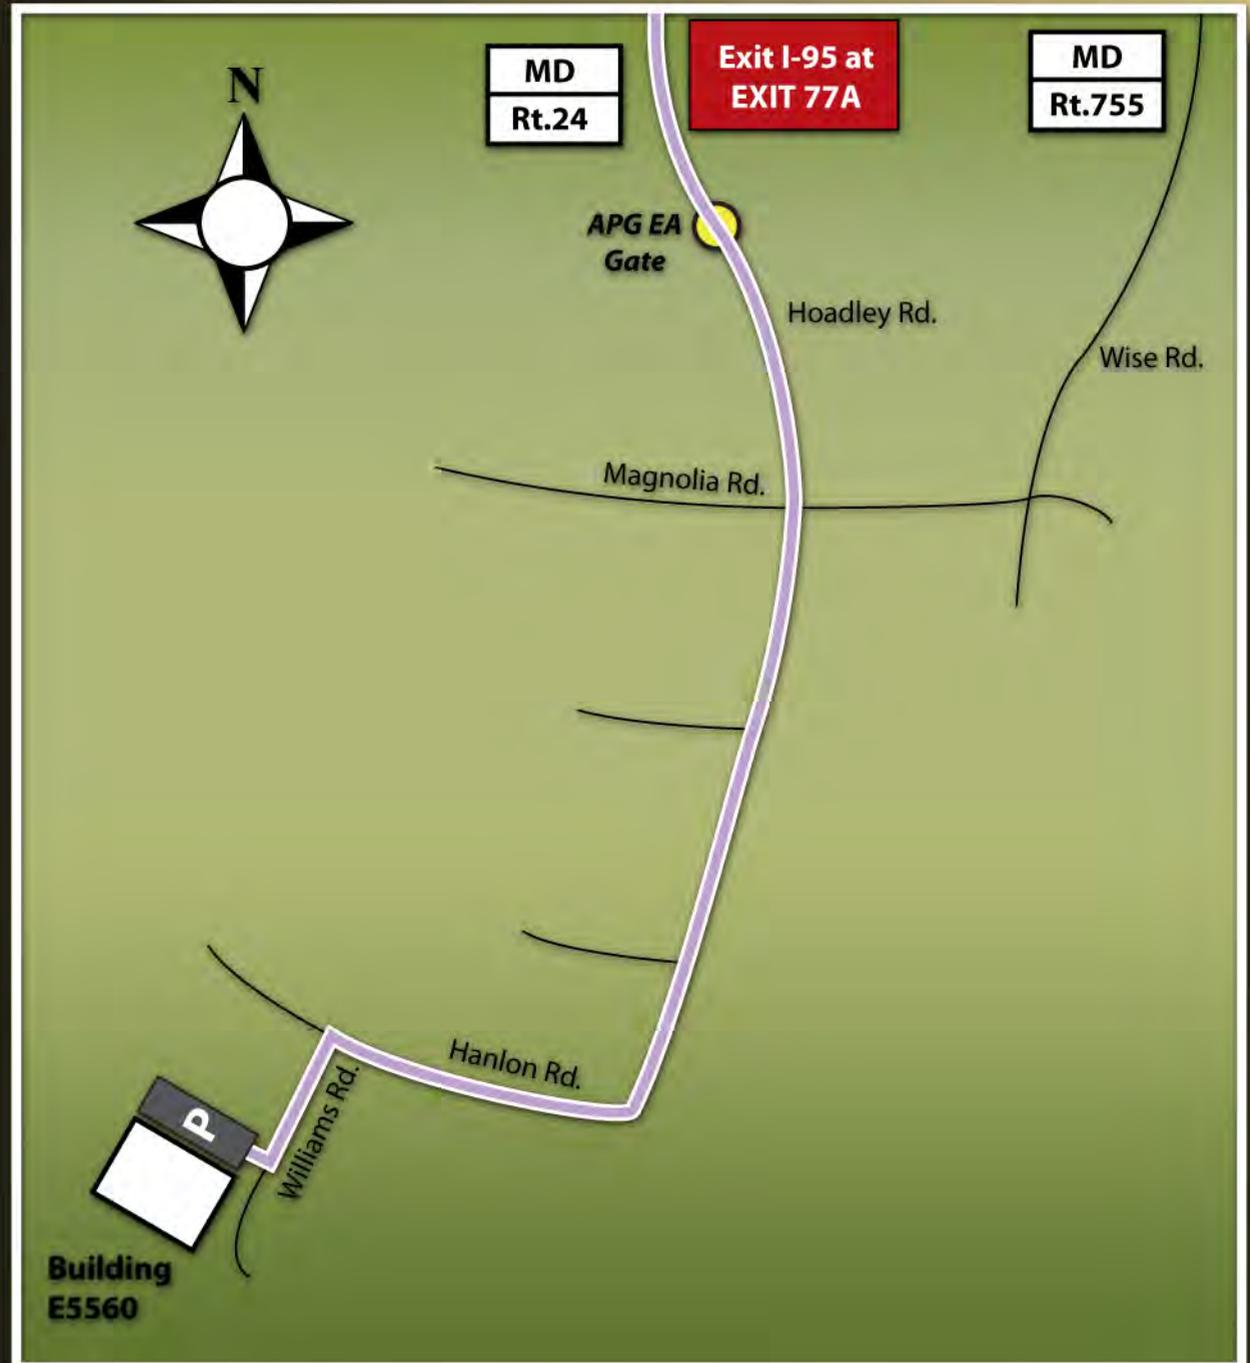

EDGEWOOD CHEMICAL BIOLOGICAL CENTER

DIRECTIONS TO

BUILDING E5560

- Take I-95 North through the Ft. McHenry Tunnel (Toll Road).
- Exit I-95 North at Exit 77A, MD Route 24 South.
- Proceed approximately 4 miles to the Edgewood Area gate.
- There will be a Visitor's Building to the right with available parking.
 - You will need to present a photo ID and car registration in the Visitor's Building to obtain a visitor's pass.
- Proceed through the ID checkpoint and present your visitor's pass to the guards
- Proceed straight through the first stoplight
- Turn right on Hanlon Rd. and proceed 2/10 mile
- Turn left onto Williams Rd. and proceed 1/10 mile
- Turn right into parking lot and park
- Enter building E5560 through the glass doors

EDGEWOOD CHEMICAL BIOLOGICAL CENTER

DIRECTIONS TO

BUILDING E5560

- Take I-95 North through the Ft. McHenry Tunnel (Toll Road).
- Exit I-95 North at Exit 77A, MD Route 24 South.
- Proceed approximately 4 miles to the Edgewood Area gate.
- There will be a Visitor's Building to the right with available parking.
 - You will need to present a photo ID and car registration in the Visitor's Building to obtain a visitor's pass.
- Proceed through the ID checkpoint and present your visitor's pass to the guards
- Proceed straight through the first stoplight
