Department of the Army

Joseph D. Wienand
Technical Director
Edgewood Chemical Biological Center
U.S. Army Research, Development,
and Engineering Command
Aberdeen Proving Ground, Maryland

Mr. Joseph D. Wienand serves as the Technical Director of the U.S. Army Edgewood Chemical Biological Center (ECBC), which is the nation's chemical and biological Center of Excellence and principal research and development center for non-medical Chemical and Biological Defense. Wienand entered the Senior Executive Service in January 2008.

ECBC's mission is to integrate life-cycle science, engineering and field operations to counter chemical, biological, radiological, nuclear and explosive threats to U.S. Armed Forces and the nation. The Center's 1,600 scientists, engineers, and technical personnel are located at Aberdeen Proving Ground, MD; Pine Bluff Arsenal, AR; and Rock Island Arsenal, IL.
